

Mining Cable

Type: SHD-GC, G, G-GC and W

Priority Wire & Cable is stocking a wide variety of rugged & flexible cables used in all aspects of today's mining operations and these cables are available to be cut to meet your customer's need. Please contact your Priority Wire & Cable inside sales person for more details today!

Priority Wire & Cable Inc.

400 Pendant Drive
Mississauga, ON L5T 2W6
Phone: 877-611-5122
Fax: 905-564-9769

Priority Wire & Cable only sells to distribution!

2KV SHD-GC

14ga thru 4/0 - 3 conductor with grounds and ground check

- EPR insulated
- Tinned copper braid shields
- Tinned copper ground conductors
- Extra heavy duty black CPE jacket

Features

- Special copper stranded conductors designed for flexibility and resistance to fatigue resulting from bending and flexing.
- EPR insulation provides:
 - Excellent Resistance to heat and moisture
 - High dielectric strength
 - Low moisture absorption
 - Excellent chemical resistance
- Ground check conductor facilitates fail-safe ground monitoring for maximum safety.
- The overall jacket is flame retardant and resistant to abrasion, moisture, oils, acids, alkalis, ozone, mechanical damage and solar radiation.
- MSHA/CSA FT1-FT5

Conductor Size	Ground Size	Ground Check Size	Overall Diameter	Weight pounds/KM
14	2 - 14ga	14	1.00"	371
12	2 - 12ga	14	1.05"	423
10	2 - 12ga	12	1.10"	507
8	2 - 10ga	10	1.20"	642
6	2 - 10ga	10	1.31"	960
4	2 - 8ga	10	1.41"	1410
2	2 - 6ga	10	1.59"	1940
1/0	2 - 4ga	8	1.86"	2950
2/0	2 - 3ga	8	1.99"	3470
4/0	2 - 1ga	8	2.30"	4800

2KV G-GC

8ga thru 500MCM - 3 conductor with grounds and ground check

- Flex stranding tinned copper conductors
- EPR insulated
- Tinned copper ground conductors
- Heavy duty black CPE jacket

2KV Type G

8ga thru 500MCM - 4 conductor

- Flex stranding tinned copper conductors
- EPR insulated
- Heavy duty black CPE jacket

2KV Type W

8ga thru 500MCM— 2, 3 or 4 conductors

- Flex stranding tinned copper conductors
- EPR insulated
- Heavy duty black CPE jacket

Other Stock Portable Cords: SOOW, SJOOW, DLO, Welding Cable, Jumper Cables
